

PASSIONATE LOVE

Building a CROSS Centered Marriage

Dear Pastor,

Thank you for the tireless efforts you and your leadership pour into the ministries and flock of your church. I am beyond grateful for your leadership and the Biblical truth you bring to your congregation day after day. We have similar passions and we have both been called to fulfill the Great Commission and minister to the saints. As you have seen firsthand, today's marriages are suffering and as you know, the world is fighting for the hearts and souls of men and women through pornography, infidelity, financial hardship and many other temptations and tough circumstances that have been known to rip a marriage apart. We understand that we cannot take the pain away, we do not have all of the answers and we cannot replace the importance and fellowship of the local church. However, we do want to come alongside you and offer some encouragement, hope, and Biblical truth for the couples of your church. They will laugh, reflect and be strengthened through God's grace as He has given speakers such as Gary Smalley, Ted Cunningham, Gary Rosberg and many others a strong desire to share from personal experience, scriptural insight and years of counseling with hundreds of couples.

Will you join me by investing in the conference through purchasing a block of tickets and inviting the couples of your church to our 4.5 hour, high-energy, Christ filled marriage conference called **Passionate Love: Building a Cross Centered Marriage**? Wouldn't it be incredible if the senior couples of your church were pouring their lives into the younger couples and if the husbands were truly motivated to lead their wives and love them as Christ loves the church? We want to stand behind you and show support of your leadership and the truth you have taught these families.

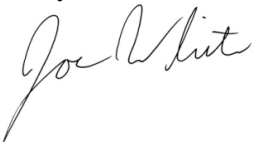

Attendees will receive free resources to take home, memories that last a lifetime, Biblical reminders of God's truth and loving encouragement through Christ to help combat the lies of the enemy. Husbands and wives will be equally blessed by this conference.

Block tickets can be purchased through the attached form. We have promotional materials available including a short video, flyers, bulletin inserts and our website. For more information on Passionate Love and the topics we will address please check out our website at www.menatthecross.org.

It will be an honor to have your support and blessing for the **Passionate Love** marriage conference coming to your city.

We would love to see you and your spouse there as well!

See you at the Cross,

Joe White, *President*

MEN AT THE CROSS
"Go Therefore and Make Disciples..."
Matthew 28:19
